Journey from  
the Second Sea  
to the Third Sea...

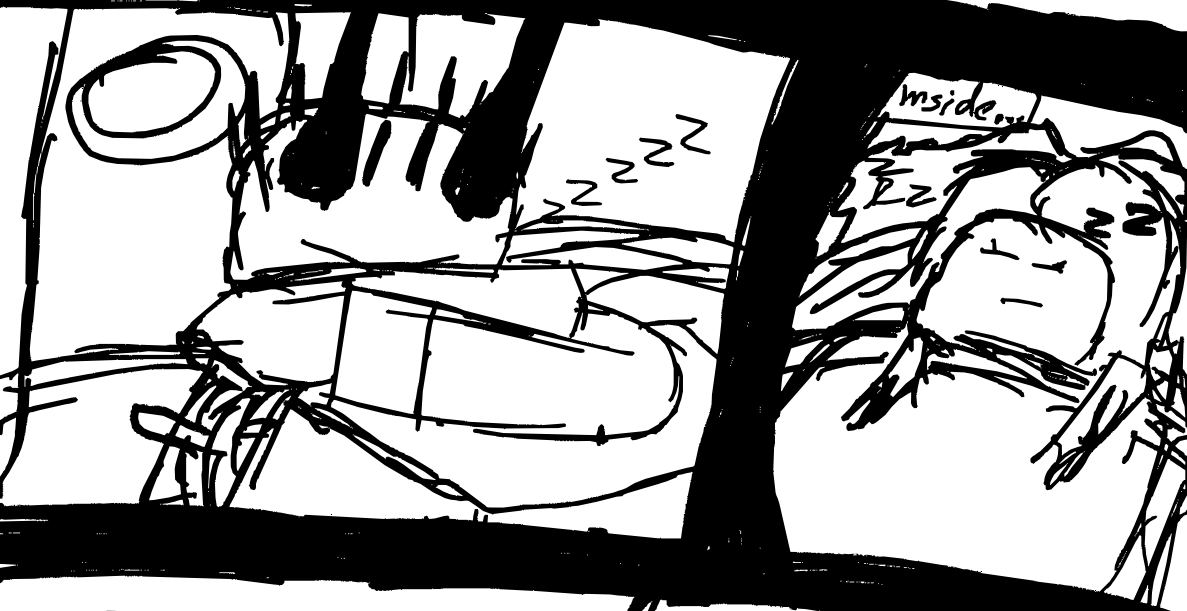

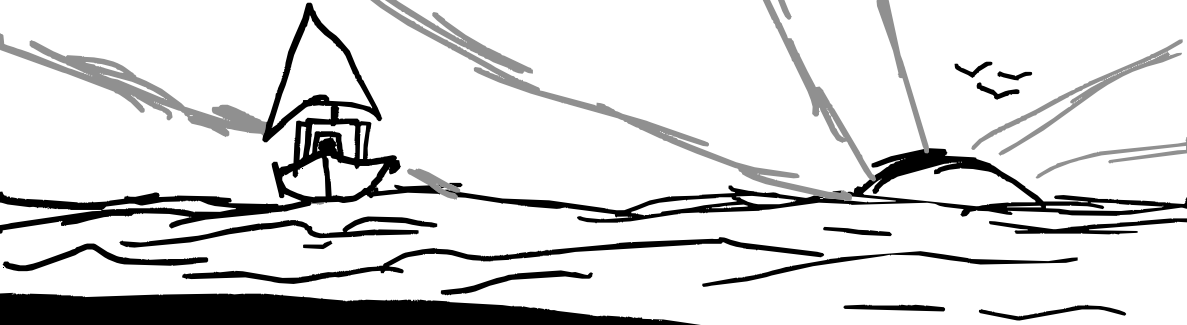

"...Let's just not die here"

Unknown Location  
05:18

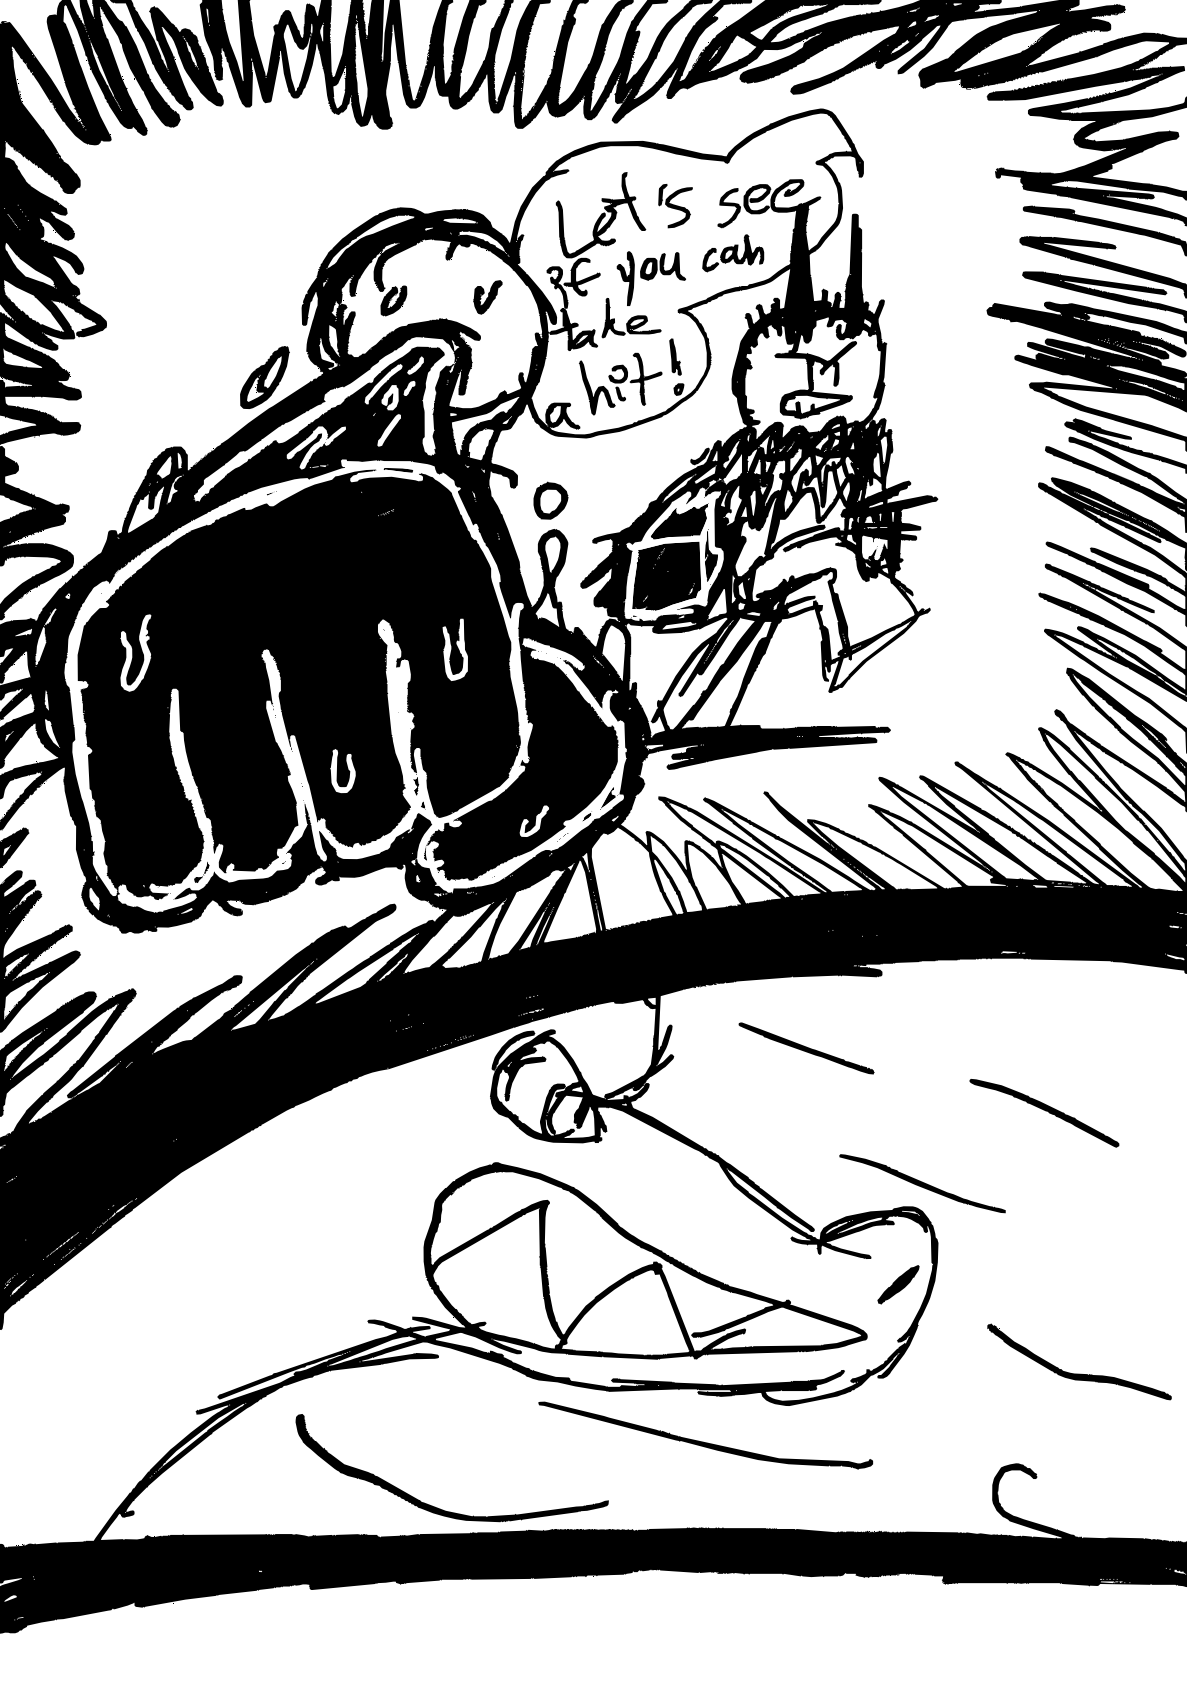

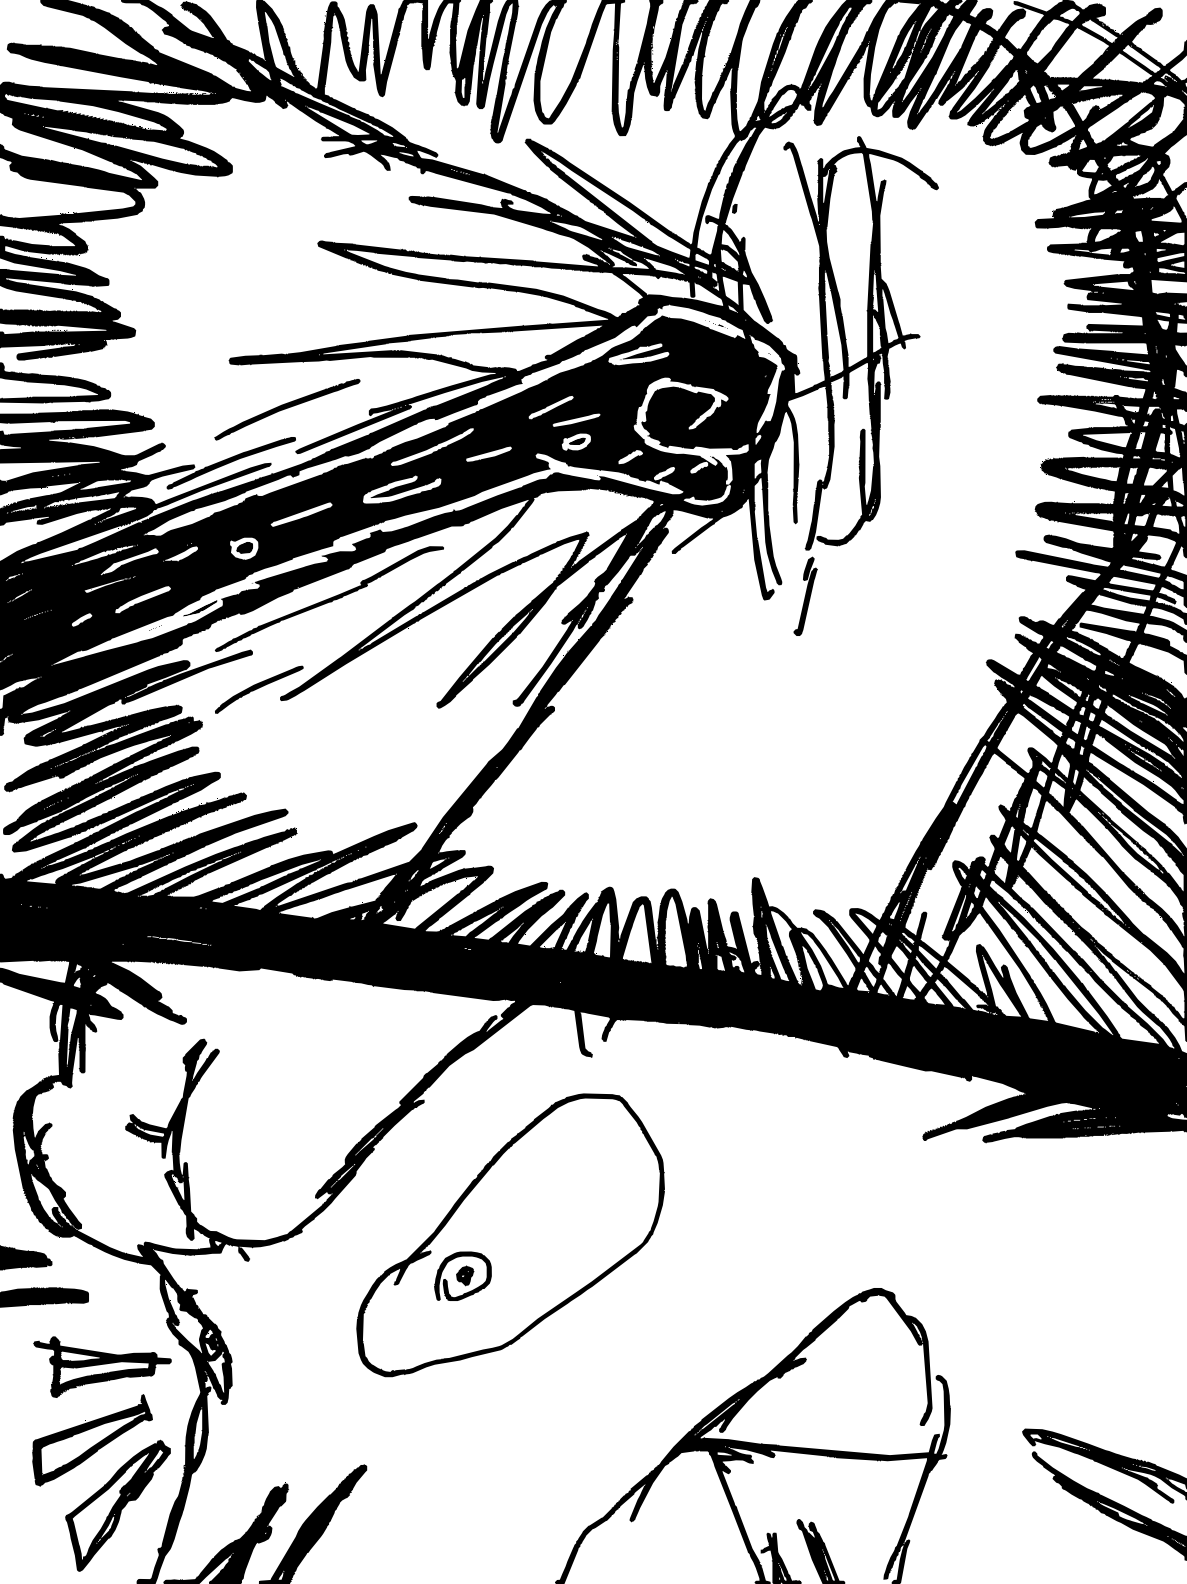

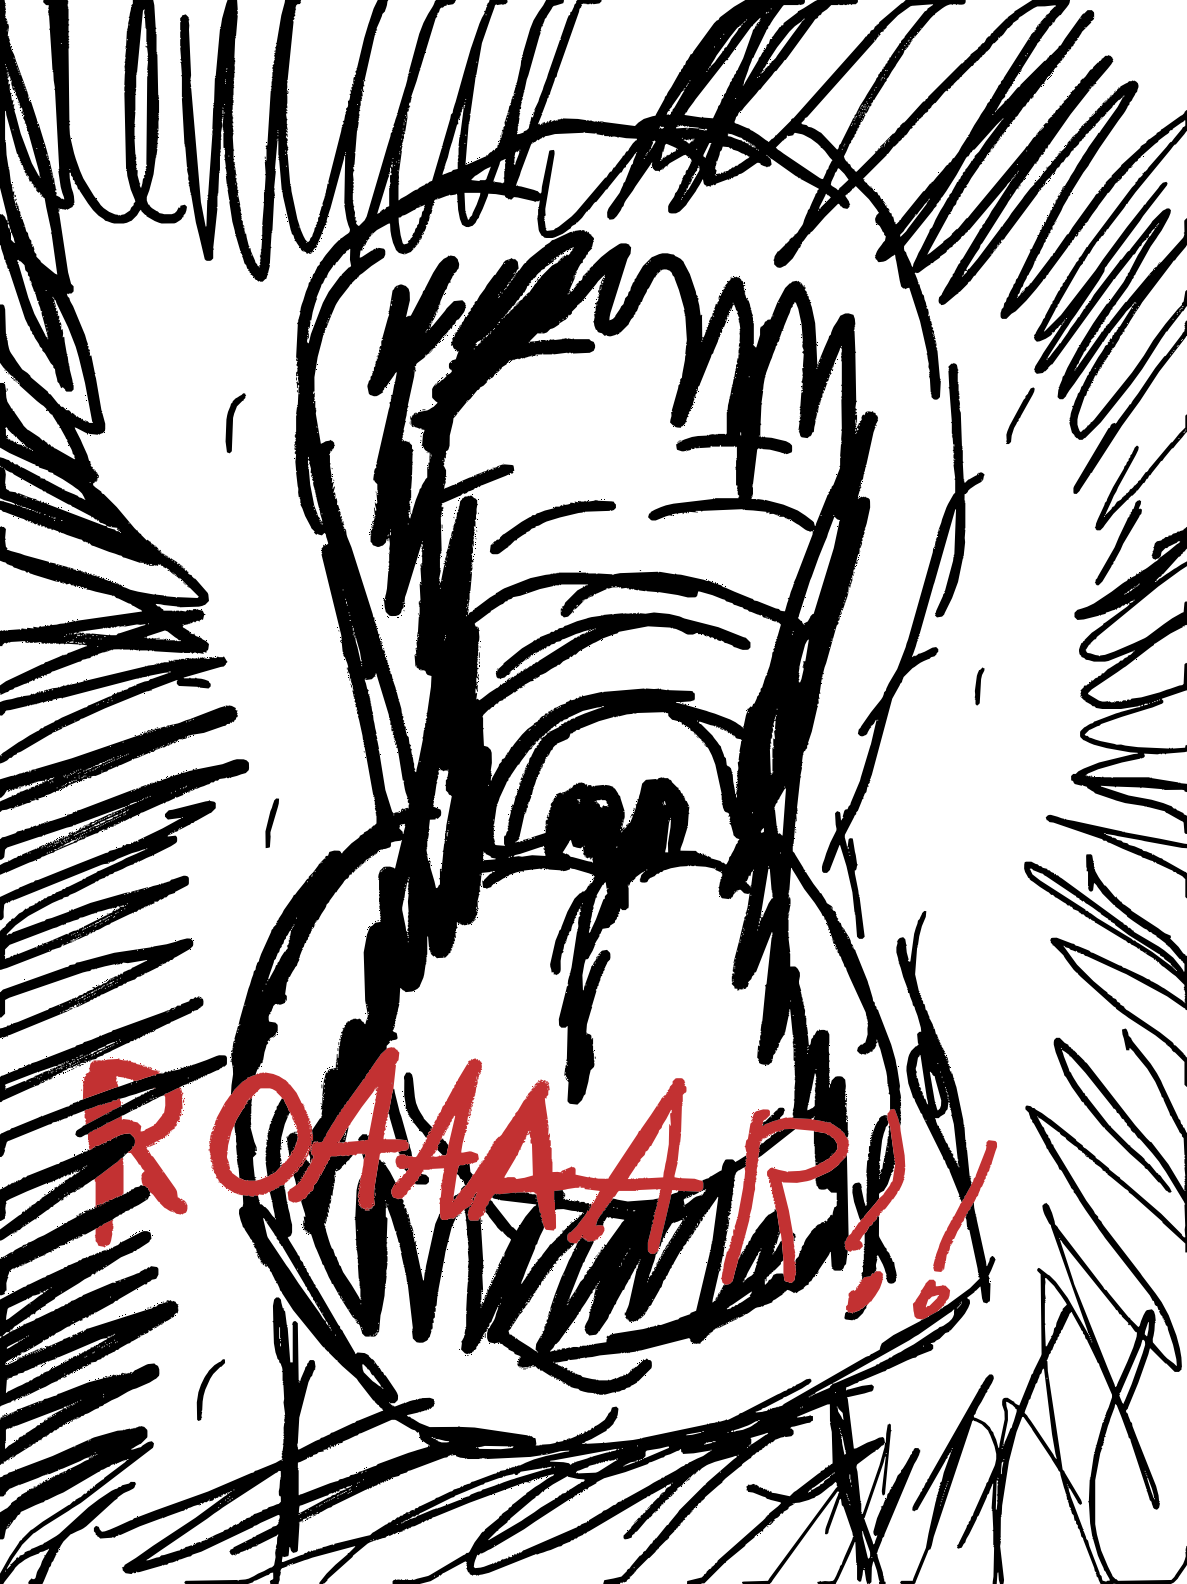

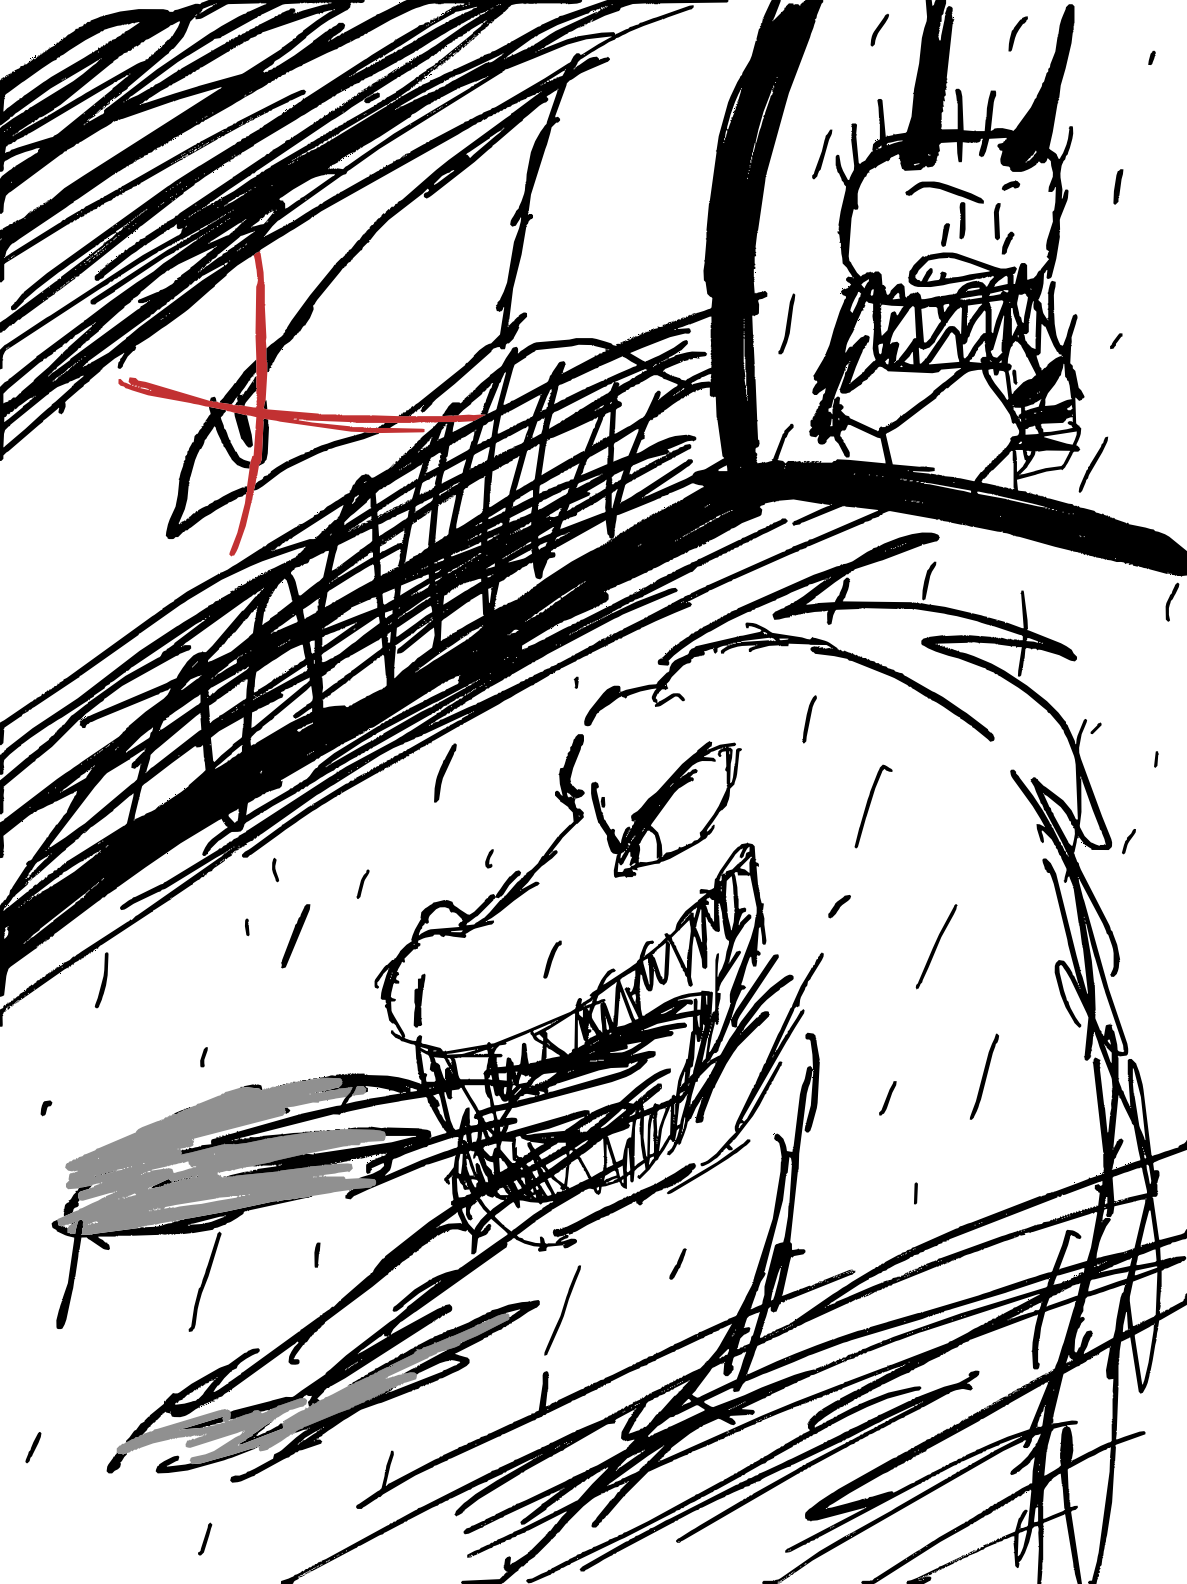

ROAAAAAR!!

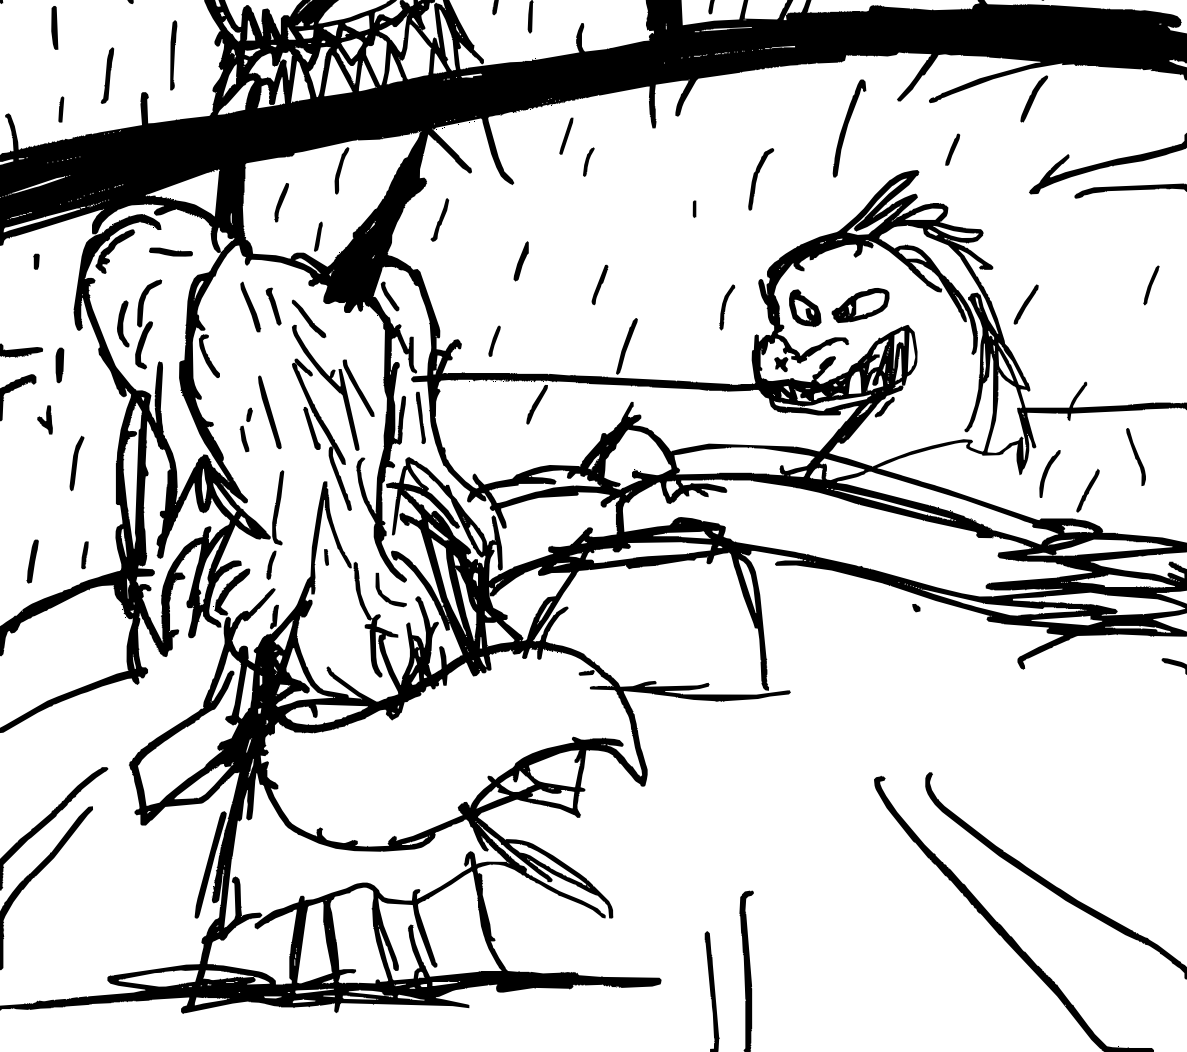

Will fix it!  
Deal with the  
Sea Beast!!

**Oh!** By the way, if you didn't know, once you eat a Blox Fruit you can't swim. That's nice (not really tbh)!

FOX

Enabled!!!

You DO have a  
USEFUL sword,  
right?

Yeah, I do!

I'm gonnd  
defeat the Sea  
Beast using the  
legendary Kitsune  
sword...

**FOX  
LAMP!**

You leave me no  
choice -- FINE!  
Now, I will  
use the  
ultimate  
power...

... one that  
transgresses  
**all** the bound-  
aries of the  
space-time  
continuum...

... a technique passed  
down from the strongest  
generation ever\*.

\* Gen 2 lol 

... This power  
brings massive  
amazement...

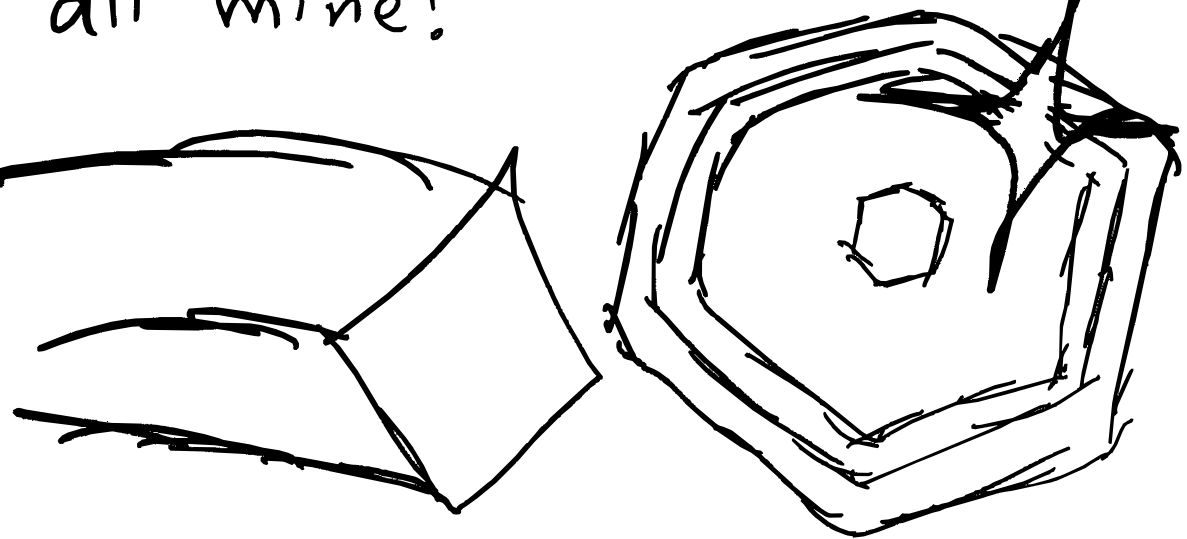

... but also  
great  
destruction...

With this...

...wealth, fame and power are  
all mine!

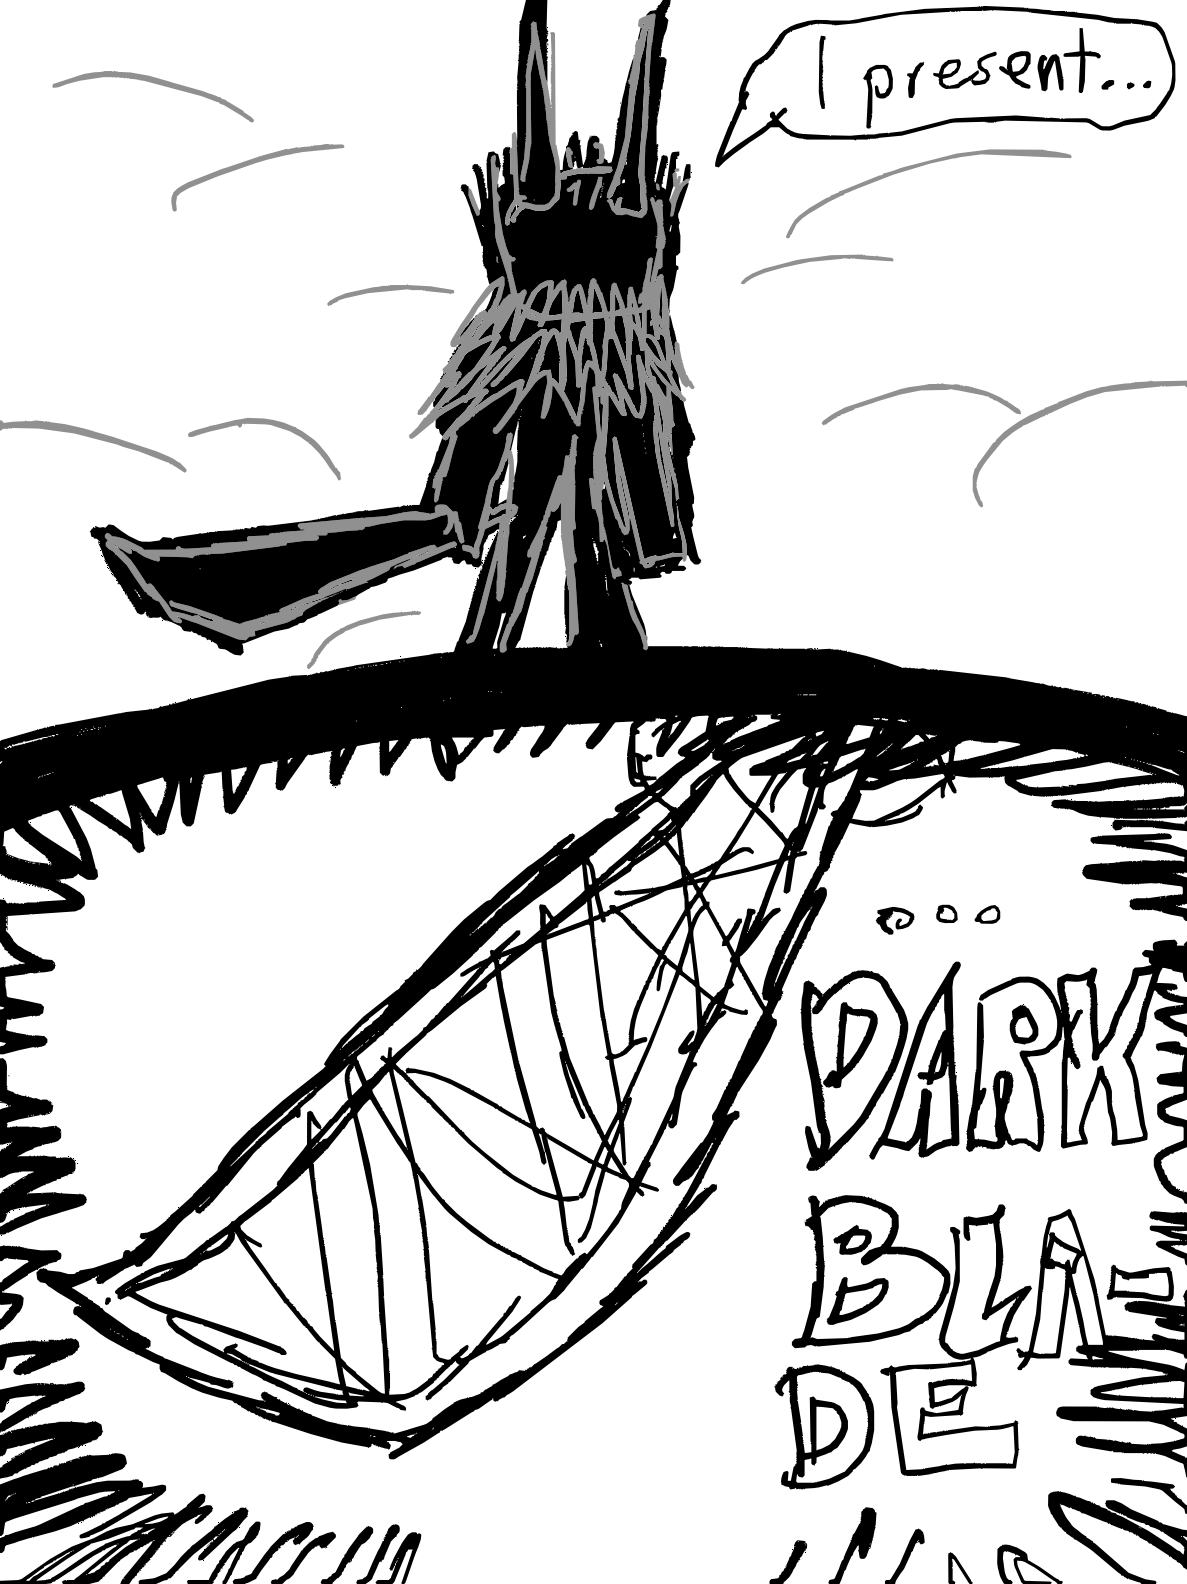

This is the  
power of...

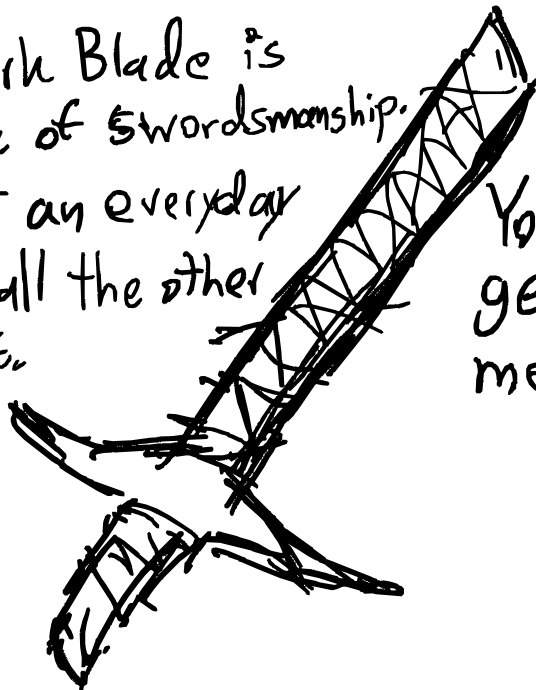

I present...

...

DARK  
BLADE

The Dark Blade is  
the peak of swordsmanship.  
It's not an everyday  
tool like all the other  
swords.

You'll soon  
get what I  
mean.

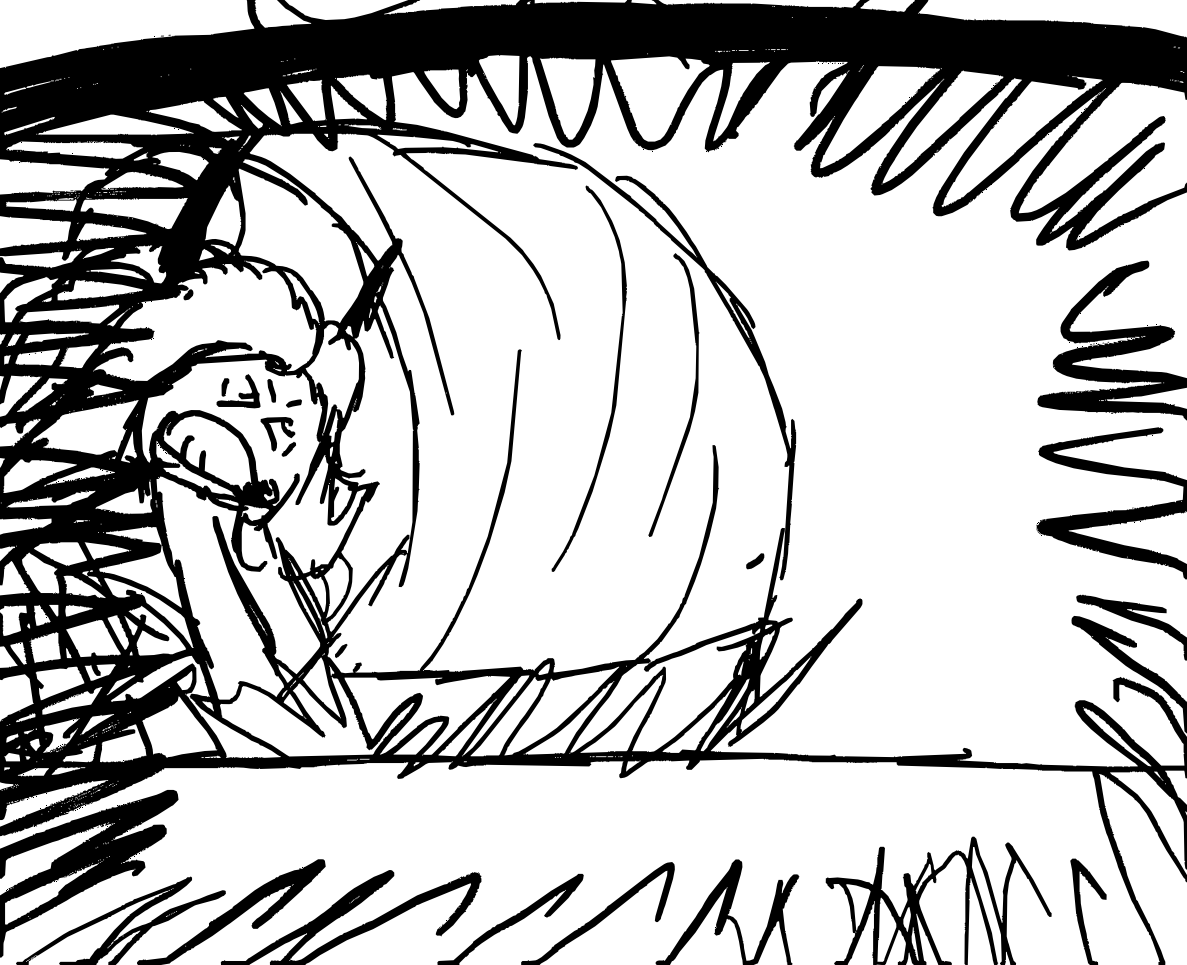

NOW!  
SLASH AT  
THAT DIRTY  
SEA BEAST

Doctor, turning my  
Barrier Fruit into  
your Creation Fruit  
wasn't enough.

Dr. M/  
Mysterious  
Scientist  
Nerd

Rgh...

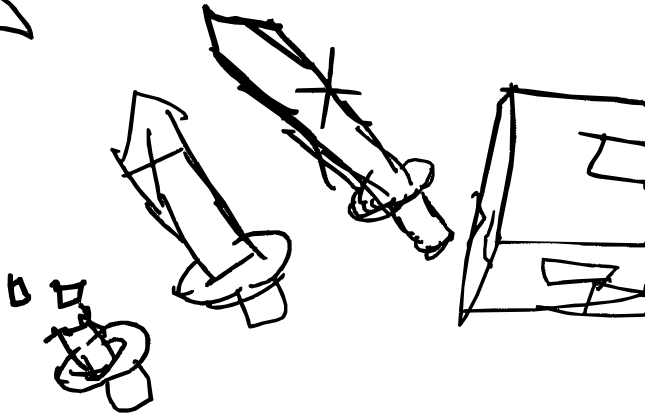

Care to  
explain why?

Impossible! It was  
my custom fruit  
design! According  
to my calculations,  
It should **destroy**  
the Kitsune Fruit  
user!

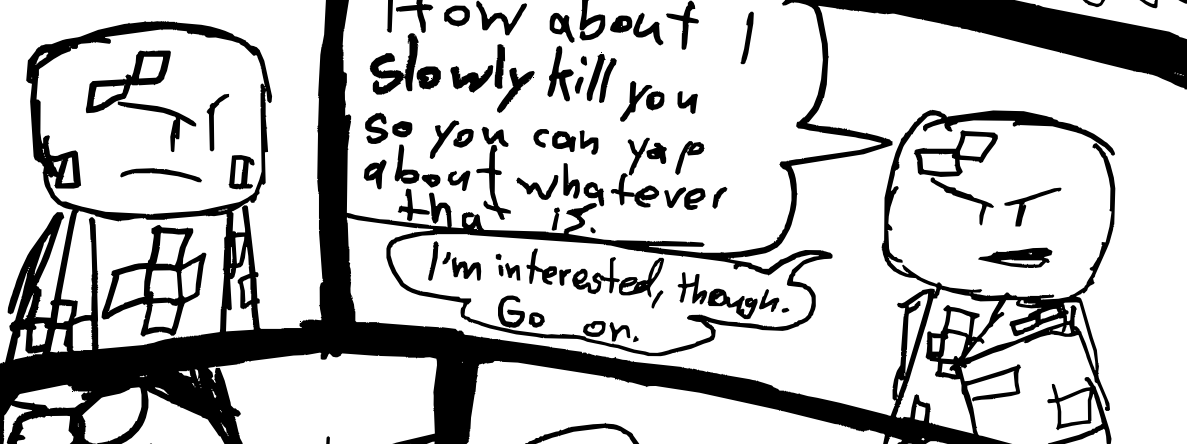

It didn't  
work, so now  
I have no more  
use for you.

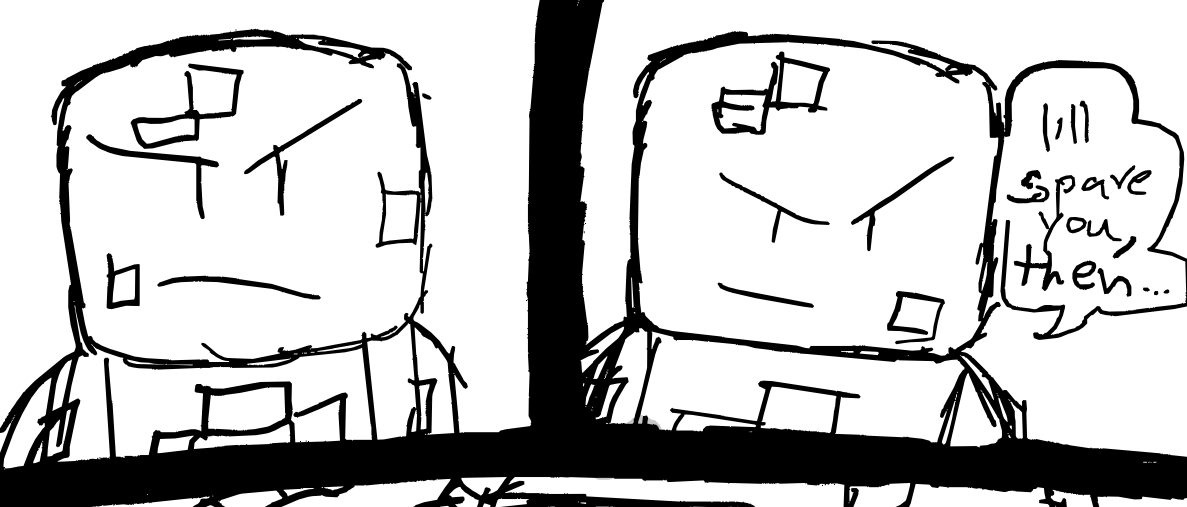

**DIE!!**

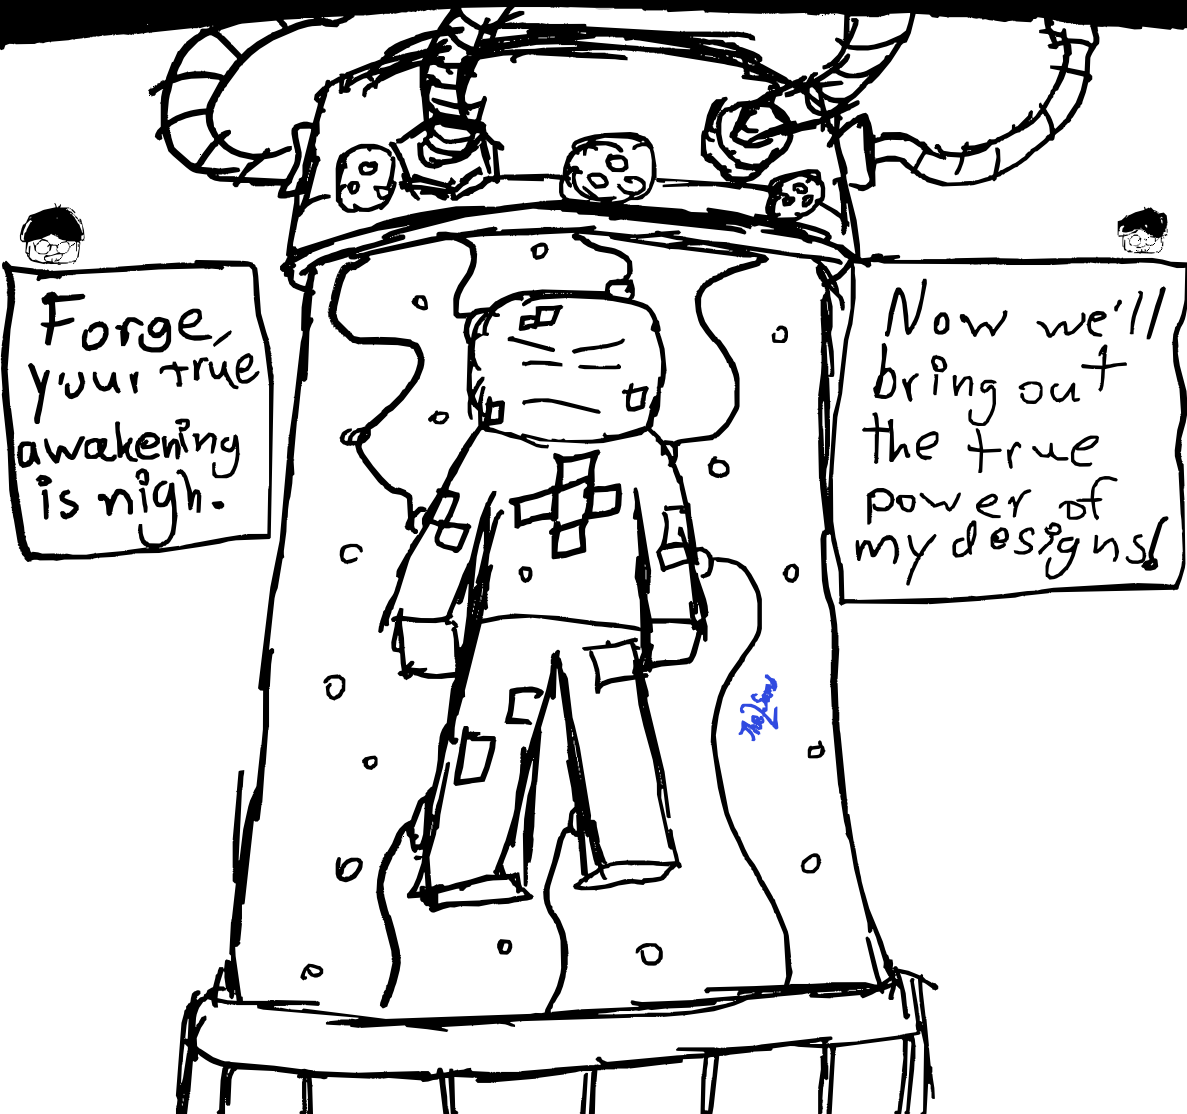

I'll  
spare  
you,  
then...

Forge,  
your true  
awakening  
is nigh.

Now we'll  
bring out  
the true  
power of  
my designs!

# SPECIAL SECTION!

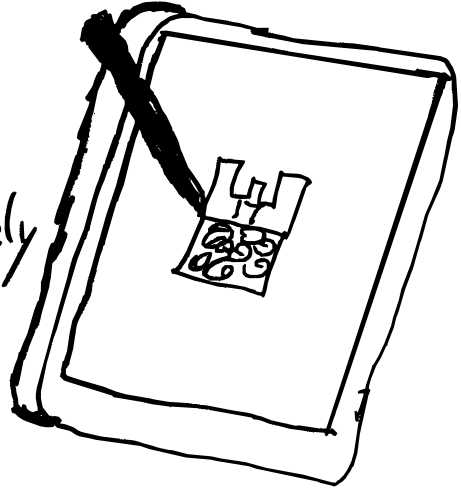

## HOW DO I CREATE THESE COMICS?

Creating these comics is my passion and obviously there's a method I use to create these comics! So I wondered "What if I leak all of my secret techniques to the 3 people that read this comic series?" So that's why this section exists!

(P.S. this section's obvr gonna be more than a page, so buckle up!)

# SO WHAT DO I USE?

Every artist has a place to let their inner art monster free. I'm no different. I use the ReMarkable 2 to absolutely cook in my stories. It's fun to draw on these, if I'm being honest. They also come with pens, so yeah!

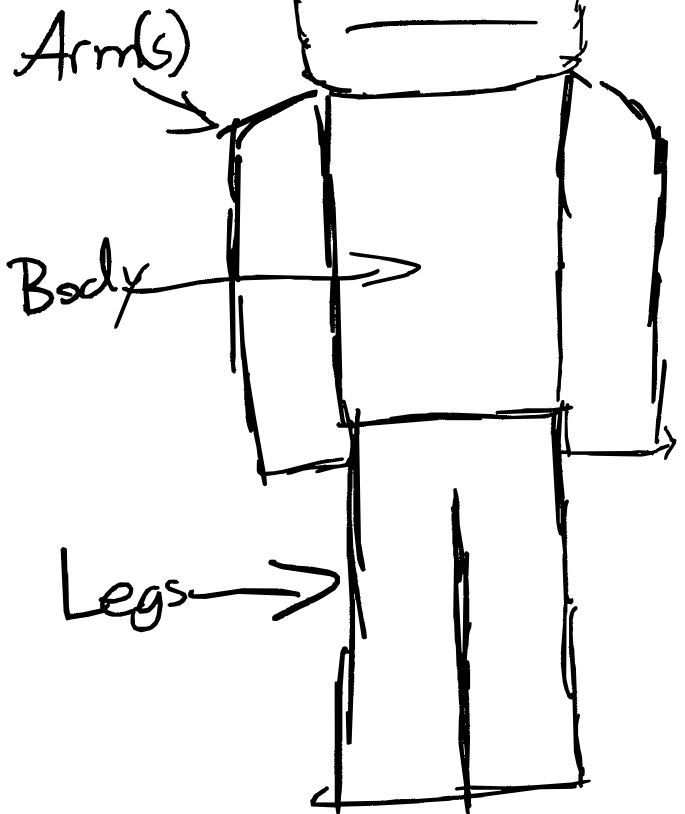

# AND WHAT ARE MY TECHNIQUES?

Alright, now comes the real stuff, how do I make these comics? Well to start I'll tell you something cool...

GO TO THE  
NEXT PAGE!

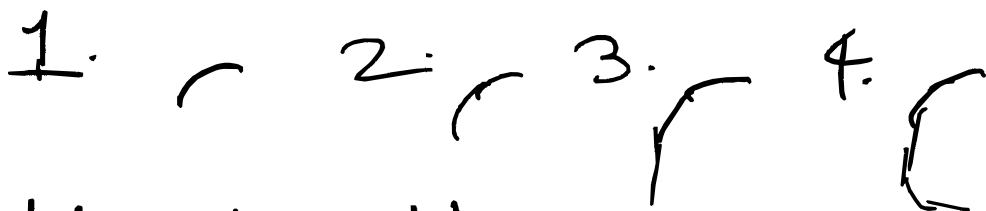

Much better! Now, when I'm trying to make a character I tend to make their bodies' shape first. For example:

That's the head. → (Stooped)

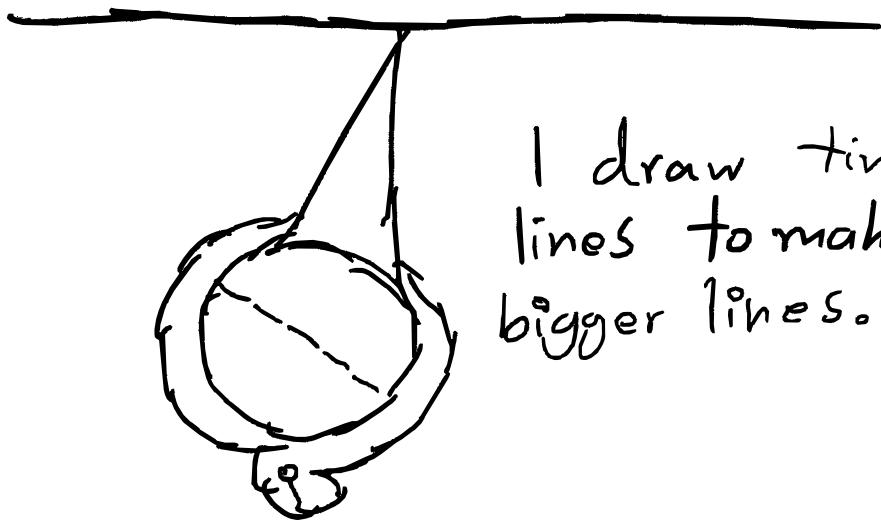

(Next Page →)

I basically sketch these shapes out.  
I make multiple strokes on a shape to make its...well...shape perfect.

My straight lines usually look something like this:

I draw tiny lines to make bigger lines.

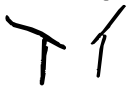

Now how about I reveal how I make those facial expressions.

It's just a few lines. Two adjacent vertical lines for eyes, and the mouth varies. We'll get into that. The eyebrows vary too, and I don't draw noses. I also shrink the eyes when the character's in shock. Here are some expressions (eyes only):

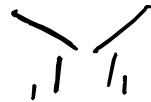

Neutral:

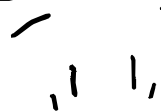

Angry:

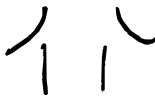

**VERY ANGRY:**

Shocked:

Worried:

ZZZZZ:

In extreme expressions, I also tend to add two tiny lines to the outer sides of the eyes. I don't know why, but it adds so much more expression (☹️ < ☹️)

Now, the mouth. It's just a standard mouth. An oval/circle with a tongue inside.

Closed:

Open:  
(Neutral)

Teeth Bared:  
(Positive)

Teeth Bared:  
(Negative)

Closed (Happy):

Closed (Sad):

Open (Happy):

Open (Sad):

So...yeah! That ends this section! Alright! Onto the next chapter!

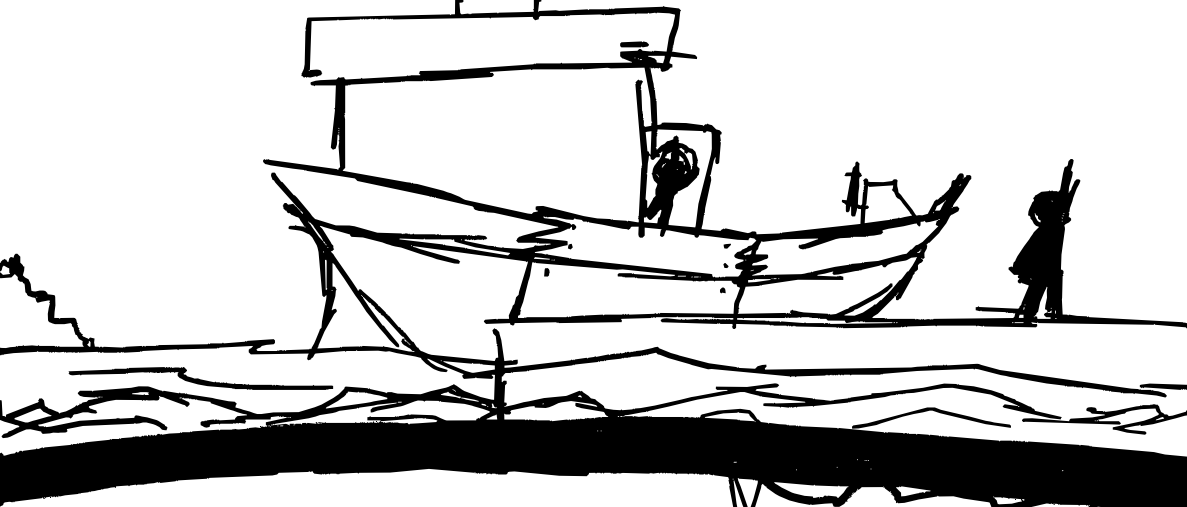

# CHAPTER 8:

## PORT TOWN

Cool, r Right? (Yes)

FINALLY  
THE  
THIRD  
SEA!

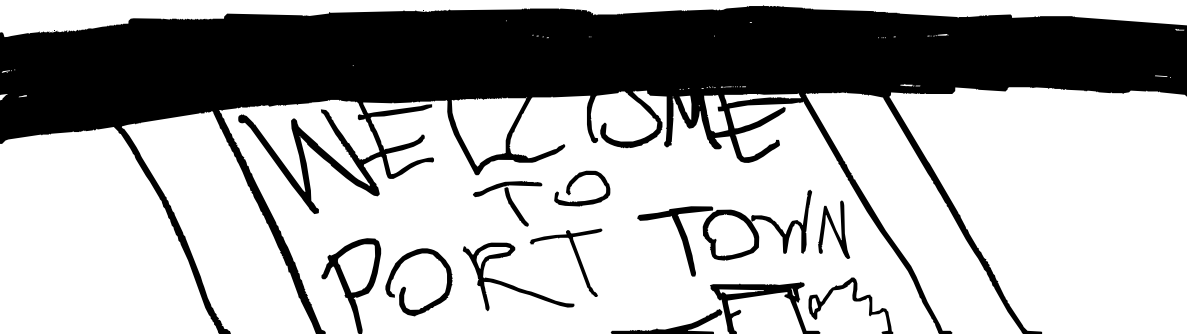

# Port Town

Anh... I have  
so many memories  
here. This is my  
hometown, but  
it's changed  
a lot!

Well, I guess  
this is your  
homecoming!

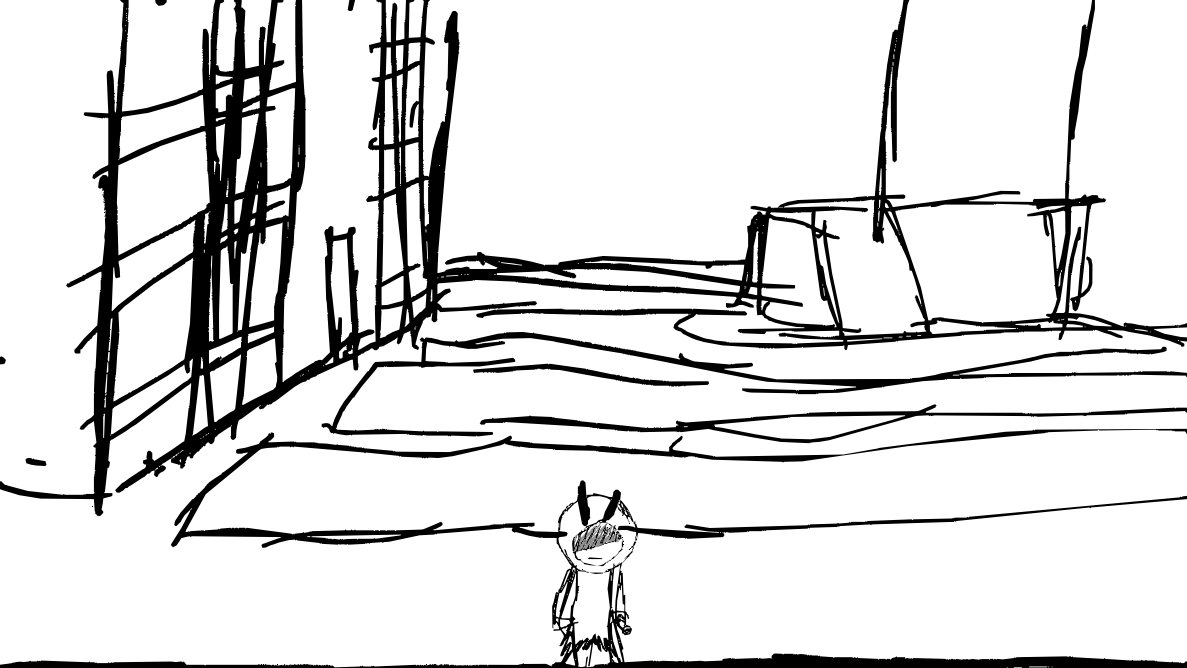

Elsewhere...

I'm gonna kill someone in the story.

# Castle on the Sea (Different Island)

Hey!

Sir S.H.P.  
Set Home  
Point

Take this, and open  
it.

It's a "wanted" poster...

...of a person

want to  
meet.

That's  
such  
a high  
bounty!!

**WANTED**

"Dough Commander" Zuka  
\$153,000,000

That's  
why I  
want to  
meet him.

And now comes  
your part. I want  
you to tell him  
something if  
he comes  
here. I want  
you to tell him...

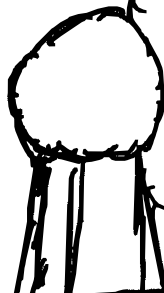

...to meet  
me at the  
Haunted  
Castle in  
3 Days.

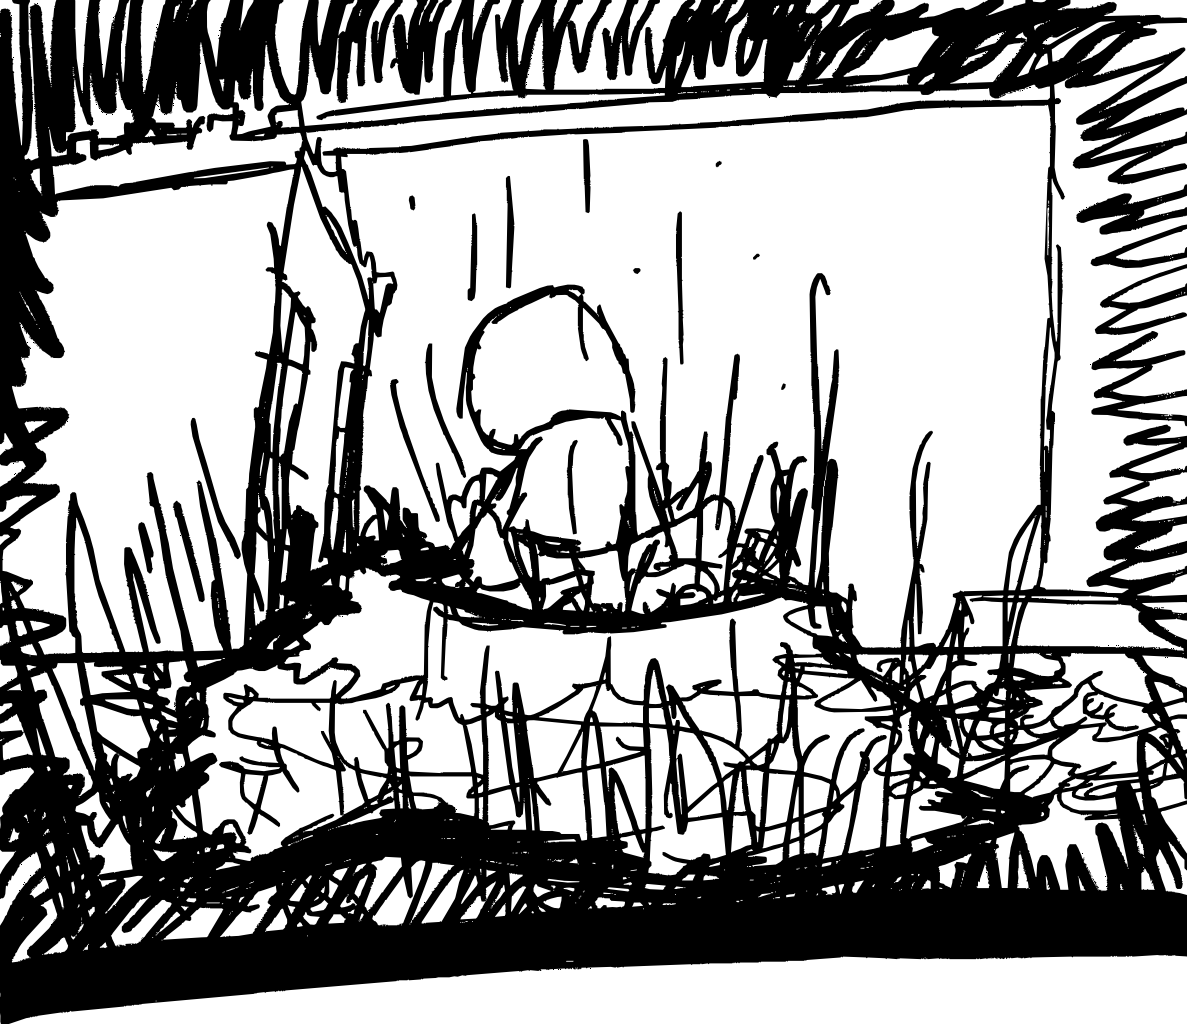

...Sure...

Great!  
Then I'll  
be off!

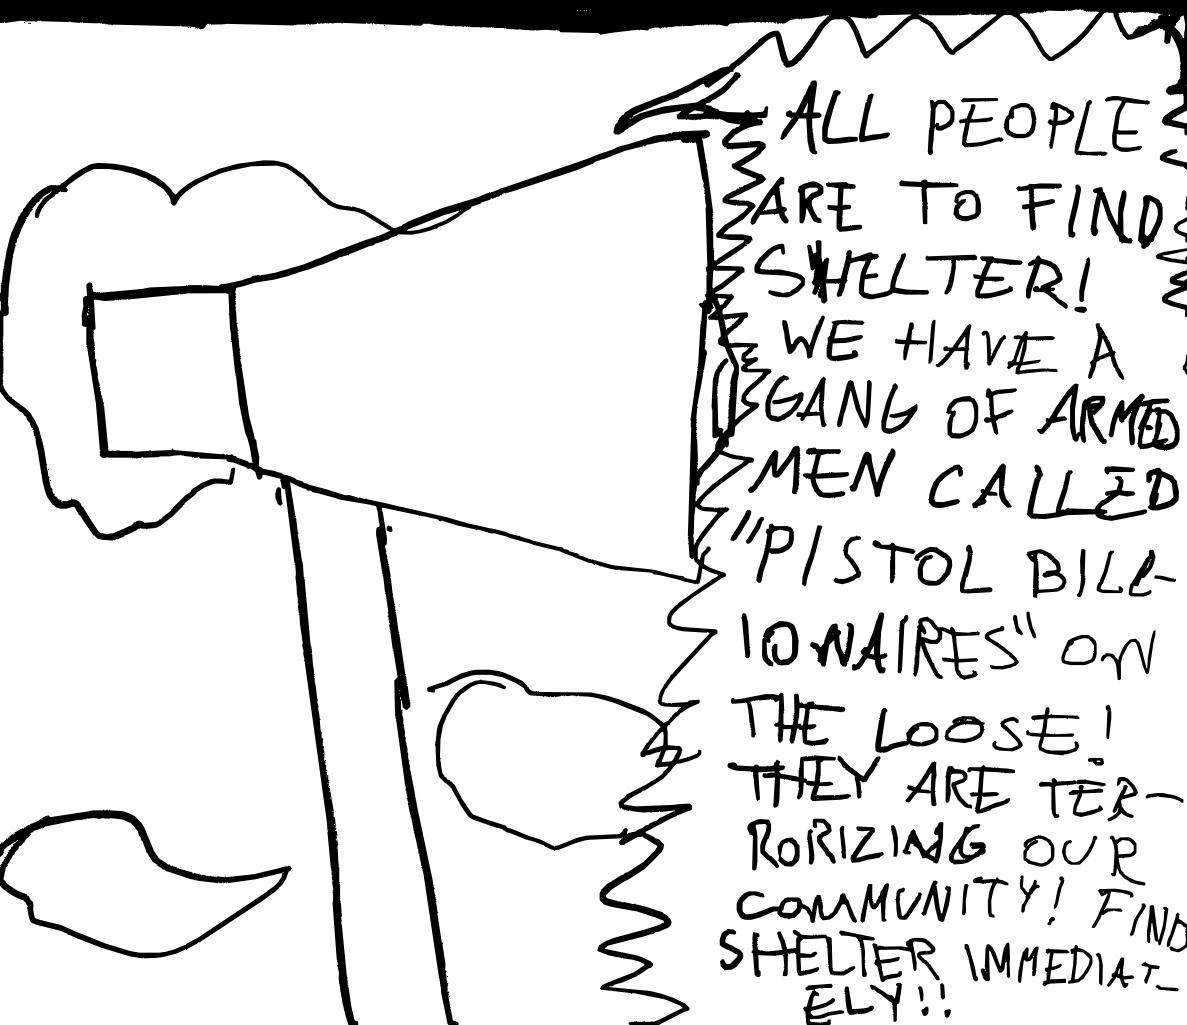

Port Town

Should I buy that?

ATTENTION!

ALL PEOPLE

COMMUNITY! FIND  
SHELTER IMMEDIATELY!!

**CHYOW!!**

\*That info should've been inside the box...
